- **Absolutely No Fighting!! (There will be a zero tolerance for fighting, players will be kicked out of the game and suspended for the rest of the season)**
- Intentional violent play, or obvious attempt to injure another player will result in being dismissed from the league and there will be no refund. **Player safety is our number one concern!!**
- Non-rostered players will not be allowed on the floor. There will be zero tolerance for anyone attempting to play who is not registered.
- Please wait outside the facility until 10 minutes prior to your game, the lobby gets crowded and we can't have a bunch of people waiting in the hallway per facility request
